

Issue:

What is the maximum asset limit?

Solution:

Every appliance will allow asset protection above the licensed number. When the hard number is exceeded additional assets will be discovered and added on the Manage Asset page but will not be trusted or protected. Replicated assets are not included in the count.

Appliance Type	Asset License Limit	Hard Limit
Nano 25	25	50
Nano 100	100	200
Nano 254	254	354
Branch Pro	500	700
Enterprise 10	1000	1200
Enterprise 100	2000	2200
Enterprise 250	4000	4200
Enterprise 1000	10000	10200
